Zion Lutheran School admits students of any race, color, national and ethnic origin to all rights privileges, programs and activities generally accorded or made available to students at the school. Zion does not discriminate on the basis of race, color, national and ethnic origin in administration of its educational policies, admission policies, and athletic and other school-administered programs.

Zion Lutheran School believes that educational opportunities and programs should be open to boys and girls on an equal basis, and that employment opportunities be available to men and women equally. This is also prescribed by the Title IX of the Education Amendments of 1972. We, therefore, do not discriminate on the basis of sex in administering our education policies, programs, activities, and employment practices. Inquiries about nondiscrimination policies of Zion Lutheran School may be referred to Kateryna McCloskey, 14735 County Road 153, Cologne, Minnesota 55322.
